A newly renovated six-bedroom, premium student property, located on New Road, offering exceptional space, comfort and facilities throughout. This is a one of a kind, high end and high spec student house - Must be seen!

Just a 10 minute walk from UWE and located across the road from Abbeywood Retail Park, this is one of the best located student properties in the area.

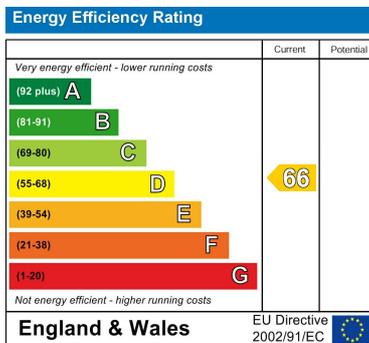

The house offers six generous bedrooms in total, four of which benefit from private ensuite shower rooms, with the additional two having off suite bathrooms. Several bedrooms also include extra study space, making them ideal for students who need a dedicated area for work and revision.

The communal layout is well suited to group living, with a separate lounge and study area providing space to relax or work, alongside a large kitchen / diner designed for shared use. A separate laundry room adds further practicality and helps keep communal areas clutter-free.

Externally, the property benefits from a large driveway with parking for up to four cars, as well as a generous garden, offering valuable outdoor space rarely found in student homes of this size.

Premium student properties of this standard and scale are in high demand. Early viewing is strongly recommended to avoid missing
